United Visual, Inc. Hires Regional Director for Milwaukee, WI Office Location.

November 9, 2009 Itasca, Ill. – United Visual, Inc., an industry leader in professional audio and video systems integration today announced the appointment of Mr. Chad Burow to the position of Regional Director for United Visual's Milwaukee, WI office.

As Regional Director, Chad will oversee the sales, marketing and operational functions for the north central region out of United Visual's Milwaukee office location. Chad comes to United Visual, Inc. with over 10 years experience in the AV industry. Most recently Chad served as the Regional Sales Director for InFocor where he was responsible for directing the sales efforts within the corporate market space. In the position, Chad demonstrated a successful track record in his ability to build strong relationships driven business opportunities. He led continuous improvement and revenue growth in corporate AV integration marketplace with large integration projects for many high visibility clients in the greater Milwaukee area.

Mr. Daniel Newman, Vice President of Sales and Business Development for United Visual, Inc., commented, "We are honored to have a person with Chad's background and reputation in the region join United Visual. Chad is a natural leader; I have been very impressed with him since our very first meeting. Chad's strong relationships in the greater Milwaukee area will add even greater depth and opportunity to an already outstanding office".

United Visual, Inc. has been active and influential in the Chicago region since their inception over 60 years ago and is ranked in the top 50 System Integrators in the nation by SCN magazine. Today, United Visual provides technology solutions to Corporate, Education, and Government clients around the globe. Recent completed projects include a 2009 ProAV Spotlight Award winning system integration project for The Illinois College of Optometry in Chicago, IL.
